Dirksen Senate Office Bldg.  
Suite 185  
Washington, DC 20510

RE: Your date with Honor

Dear Senator Cruz,

Seldom do we have an appointment with destiny wherein our actions will make history as being either righteous or self-serving.

Seldom, if ever, are we presented with an opportunity to protect and preserve the course of freedom and liberty in our beloved America, by simply doing what we know is righteous, rather than self-serving.

Seldom does one have the national platform to act as God ordains Christians to act...do the right and honorable thing, and leave the consequences to Him.

Senator, you stand on the precipice of true greatness. The above opportunities are yours for the taking.

The God who we worship, has placed you in a truly unique position, and is saying to you, "I will help you. I will strengthen you. I will uphold you with the right hand of My righteousness...Do not be anxious about your life, what you shall eat or what you shall wear...Cast all your anxieties on God because I care for you...The Lord is your light and your salvation: whom shall you fear? The Lord is the stronghold of your life: of whom shall you be afraid?"

Senator Cruz, you have been placed in the position to end the greatest fraud ever perpetrated on the United States of America, and to stop the systematic destruction of our Country. The action required is simple – but not easy, for it requires a selfless act of love and concern for others, and calls upon you to do the right thing. Yes, some will call it a true act of heroism.

Senator Ted Cruz, as a true Christian, you must say to the nation and the world...

"It has been the delight and honor of my life that so many Americans have found me worthy of their respect and admiration, and have wanted me to run for president or vice president. But the truth is, I am not eligible for either office according to the United States Constitution Article II, Section I, Clause V,

wherein only a Natural Born Citizen of the United States, born of an American Citizen Father, can seek or hold these offices. I know that the Founders, in their brilliance, set this standard based on the Biblical principles of Natural Law, wherein the name, citizenship and birthright of a child was always passed by the blood of the father. Knowing this beyond question, a proud son of my Cuban father, I am not now, nor can I ever be, a Natural Born Citizen of the United States. Therefore, based upon unquestionable and prima facie evidence, I state for the record that Barack Hussein Obama, the son of a Kenyan Citizen father, is not now, nor has he ever been, nor will he ever be a Natural Born Citizen of the United States. I call for the immediate resignation of Barack Hussein Obama and the legitimate investigation into all who are involved in the greatest fraud ever perpetrated on the United States and the world, as well as all who have engaged in the greatest political cover-up in the history of politics.”

The gauntlet has been thrown down. Will you, Senator Cruz, pick it up and run with it? What will the annals of history record? More importantly, what will the record of heaven show?

In this wonderful and blessed season of Christmas we are reminded about giving...God gave the gift of His son Jesus; Mary gave the gift of her reputation in order to be obedient; Joseph gave the gift of love to Mary in obedience; the Wise Men brought gifts to honor and worship the new King. In the spirit of Christmas Senator, you alone have the opportunity and the calling from God to give a magnificent gift to millions of Americans, and freedom seeking people all over the world...the gift of returning this Country to what God intended it to be.

We call upon you Senator, to answer what we believe to be a divine calling, to stand like a rock upon the Word of God and the precepts of our Founding Fathers, to call out the evil in our land; to give of yourself for a cause much greater, the cause of freedom, liberty, truth and justice; to stand before God and all of mankind and proclaim the truth; to keep your sacred oath to protect and defend the Constitution of these United States and protect the American people from all enemies, foreign and domestic; to be the light that your father believes you are ordained by God to be...

If you do this Senator, I assure you that millions of Americans will stand with you, protect you, honor you and forever hold you in high regard as a man of great faith, great honor, and unparalleled courage and decency.

I will stand with you Senator... We will stand with you.

I pray for your courage and honor Senator, and await your response. I remain, in His Service...

Respectfully, on behalf of The North American Law Center,

Barbara Ketay,
