

The 2024 People's Pledge

The United States of America

To assume among the powers of the earth, the separate and equal station to which the Laws of Nature and of Nature's God entitle them, We the People of the United States, from whom all political power and authority is derived, sign and submit this pledge for the 2024 elections, to the Republican National Committee (RNC), and each State Republican Party.

WHEREAS: Overwhelming evidence exists proving beyond any doubt that the 2020 and 2022 elections were unlawful in nature, held in direct violation of State Election Laws in all fifty States;

WHEREAS: It is not possible to get a lawful result from an unlawful process;

WHEREAS: Regardless of Party registration, everyone planning to vote in the upcoming GOP Primaries is a "GOP VOTER" for the purposes of this pledge;

WHEREAS: Every member of the RNC is fully aware of the reality that the USA does not currently have lawful legitimate elections;

WHEREAS: Three State Representatives from each of the Fifty States sit on the National Committee for the intended stated purpose of representing the GOP voters in each State at the National Leadership level;

WHEREAS: President Donald J. Trump remains and will remain the chosen leader of conservative GOP voters, holding a commanding and growing primary lead over all challengers;

WHEREAS: We the People believe that our country is under unprecedented attack from foreign interests currently enjoying influence over our Federal Government, resulting in "taxation without representation" for all American taxpayers;

WHEREAS: We the People no longer trust the Federal Government or the current leadership of our chosen political party (GOP), which appears to be operating in concert with the Democrat Party and Global tyrants at the WEF, UN, IMF, WHO, and NATO, rather than representing the will of the legal American Citizens;

WHEREAS: We believe that the RNC has been raising campaign funds on fraudulent and false premises, misleading donors by claiming to abide by conservative constitutional principles and values, while working with Democrats to undermine the Constitution, Bill of Rights, Freedom, Liberty, National Sovereignty and Security, and true Justice for the legal American Citizens, and while participating in an ongoing escalating foreign invasion of our country, and misusing American tax dollars for anti-American agendas;

WE THE PEOPLE PLEDGE THE FOLLOWING as it pertains to the 2024 Elections,

- We will NOT cast a vote for any GOP/RNC presidential candidate who is running against President Donald J. Trump** as each challenger works in concert with the Democrat Party in a coordinated effort to prevent The People's Republican Candidate from occupying the Oval Office, by any means necessary;
- We will NOT donate any campaign funds to the RNC or any candidate running against President Donald J. Trump;**
- We will NOT provide any "aid or comfort"** to any candidate or Party working with Democrats, the WEF, NATO, IMF, WHO, and UN to undermine the sovereignty, security, and Freedom of the United States;
- We WILL cast our vote for,** and financially support President Donald J. Trump for the 2024 GOP nomination, no matter what the global left attempts in their efforts to disqualify or otherwise eliminate President Donald J. Trump;
- We WILL monitor every election process** in every voting district across this country to do all we can to STOP the kinds of unlawful election practices used in 2020 and 2022.
- We will no longer allow the RNC to dictate** who we can and cannot cast a ballot for, nor will we allow the RNC to continue providing aid, comfort, and cover for those who use unlawful election processes and weaponized federal agencies to interfere with and manipulate the outcome of elections against the will of the American Citizens.

We the GOP voters, sign this 2024 People's Pledge to provide notice to the Republican National Committee and each State Republican Party, to cease and desist in their ongoing efforts to dictate who the leaders of OUR party will be. In the event that the RNC working in concert with the DNC, succeeds in preventing Donald J. Trump from appearing on the ballot in any State, We the GOP voters will write-in and cast a ballot for Donald J. Trump.

Until such time that OUR Party represents the will and interests of all American conservative voters, we will NOT provide aid and comfort to the Party in any form.

We the GOP voters and donors sign this pledge with freedom of conscience and a firm commitment to true election integrity, in accordance with our Rights, and under the Supreme Law of this Land, the U.S. Constitution and Bill of Rights, in compliance with the Election Laws of each member State of this union.
